The twins fall in love with France, not to mention two French boys. 48 reviews 2critic reviews reviews everyone knows Olsen Twin Movie Reign Country, meet two handsome guys, kiss them a few times, put on nice clothes, have a "thrilling adventure" and go home in a few weeks. This is one of the best. I loved Mary-Kate and Ashley when I was a kid, so of course I saw this movie. Basically, two twins named Mel and Ellie Porter are going to France to stay with their grandfather and parents in hopes of being raised a bit. After the first few days, the girls almost smitten these two "hot boys from Perizan", met a supermodel and managed to impress their grandfather. While Mary-Kate and Ashley's performances are so-so, yes, the real talent comes from the rest of the cast. Broker Way is excellent as Jean, who keeps Ashley interested throughout the film. Yvonne Shio and Matt Winston are so funny as Bridget (Supermodel) and Jeremy, a man hired by his grandfather to take care of the girls. It may be silly, but if you have nothing better to watch on the weekend, I recommend giving it a try.
