While they vary largely in design, you can always count on them to be waterresistant, sturdy, stylish, and most importantly, reliable. Whether catching the waves or exploring the shops in town, there's a GShock watch that fits the occasion. Mens Watches GShock men's watches have premium silicone or metal bands with watch cases made also from silicone or durable stainless steel. For casual wear, get the DW5600DE2 to match your blue denim jeans or denim jacket.

The denim-inspired design of the watch is small enough not to be too bulky for a day out at the shops.

Heading out for a hike or a day in the outdoors. Strap on the GPW20003A Master of G with its tasteful metal studs on an olive green body and matching orange accents as a tactical chronograph. If you love allsteel construction, buy the GSteel GSTS310D1A, a watch made with premiumgrade stainless steel. It features a traditional watch face but mixes it up with digital indicators. Women's Watches There is also a wide range of GShock women's watches available. Featuring a fashion forward design that incorporates a heather print similar to sweatshirts, the GMAS110HT6A has the texture that embodies autumn. It is equipped with an Auto LED, four daily alarms, speed indicator and magnetic resistance, making it a versatile and reliable fashion essential. Love pure white Then grab the GMAS110CM7A1, which combines the basic allure of an allwhite construction with a complex yet easily readable layout that uses traditional analogue arms and LCD elements. BabyG This is the GShock series for the youthful and youngatheart. The most playful watch designs come in pieces like the BGA2404A with its ladylike, hot pink design and layout combination of analogue and digital elements. Some are subdued in design as well. If you want it subtle, consider the BA110GA1A, which has a pitchblack design and contrasting white indicators, while its digital elements feature grey numerals on a black background, thereby making it perfect for the discerning young man.
