Free download game my talking angela mod apk. My talking angela game free download mod.

Such small interactions alone make us feel like we are tending to a cat of flesh. Then you need to see the order and move to the right position to have your own book. For example, a friend to confide in, a nice, docile cat ... You are no longer lonely because there is a lovely cat who is always beside you at all times. Recently the version of Tom Friends has been released, you can play with all of Tom's friends too.Download My Talking Angela hack - Take care and have fun with pretty catsIn addition to the main feature just mentioned above, there are many other equally fun activities for you. The game is completely safe for kids, they can learn to play with pets through Angela. Open the game now to start your own sweet story!Download My Angela MOD APK - Happy all day with PetThe version of My Talking Angela is for girls only, so the colors in the game are a bit trendy. Now, money is no longer your worry. If you love Talking Tom, make friends with his cute girlfriend - Angela.About My Talking AngelaThis game was first launched in November 2012 for iPhone and iPad. Download My Talking Angela game to please the player does not make you disappointed, take care of her feminine cat with the full minigame system.No less than having a cat, virtual pets are also extremely attractive. At this point, you cannot play minigames or talk to Angela. Even when the game is off, you still hear the cry whenever Angela is hungry or sleepy. If you are a male and want to have such a pet, download My Talking Tom or My Tom 2 to experience a more dynamic style. In some pictures that must be Unlocked to perform, you must follow the requirements of the game.Game ConsoleA collection of games in the Talking Tom & Friends series is available here. The level in the game is tied to the age, the bigger your cat is, the longer time you will invest in the game. You can choose to play immediately some minigames such as Unicorns, Balloon Splash, Happy Connect, Sky High ... or download as suggested in the list of suggestions. After each shower, you will receive a gold coin and experience to level up. We can help you.NoteYou don't see the money when using the MOD version? You will get a lot of money after buying something in the store.Download My Talking Angela MOD APK for AndroidMy Talking Angela is not just a game, it's also a great friend on your phone. Sometimes it's very cute, but sometimes it can feel sad and unpleasant. They can be biscuits, lollipops, fresh milk, hamburger...At the first level, you are provided with the necessary food. Not only that, but you will also be happy every time you take care of and talk to you. Some basic equipment such as clothes (wardrobe), food (food), decorations (terrace). However, you still need to reach the required level to buy some special clothing.Why should you use the MOD version?The purpose of most people who play this game is to raise cats until adulthood and buy expensive decorative items. Published by Outfit7 in December 2014, so far it has tens of millions of users. When the clock indicates your food has reached 100%, that means Angela is completely healthy.Let's play!Outfit7's cats are always very naughty and want to play. There are many beautiful clothes and dresses for her, and you can upgrade them. It will take a lot of time to buy unique outfits or decorations. If you love pets or like My Talking Tom, this is the game you can't miss. Home / Games / Casual / My Talking Angela NameMy Talking AngelaPackage Namecom.outfit7.mytalkingangelafreePublisherOutfit7 Limited CategoryCasualMOD FeaturesUnlimited Money Version5.7.1.2728Size104MPriceFREERequiresAndroid 5.0My Talking Angela MOD APK (Unlimited Money) is a virtual pet game released by Outfit7 as a part of Talking Tom and Friends series. When the cat feels hungry, choose the Knife and Fork icon to bring your cat to the dining table. My Talking Angela virtual cat breeding game mounts between players with interactive mode perfect as if you have pets. Here own closet with countless items to help make up more extravagant. Each category has its own category, so spending balance is very important.Take care ofThe condition for Angela cat to function well is health. Or you can use diamonds to buy medicine to help your cat get healthy right away.FashionThe difference between Angela and Tom is that this girl loves fashion. Now, we continue to watch the game My Talking Angela in the current version has what the Player to find out.ShoppingThere are many things you need to shop during the game, which means you have to spend a lot of money. After that, you can let your cat eat every dish presented on the table. Millions of families around the world love and trust this game, especially children. When you talk or sing, this cat will listen and then mimic with a cute voice.Feed the catOf course. Playing mini-games is also a way for you to earn lots of gold coins, thereby buying cat clothes or decorations for the house.Take care of AngelaAs a cat lady, Angela needs a bath regularly. Choosing to unlock items such as lipstick, eyebrow pencil, chalk box. ... Every time you go out to the pet girl becomes as attractive as you can be.Matching picturesPlayers are given photos related to the lives of cats. Put your cat to sleep and turn off the power, then close My Talking Angela and wait a few hours to continue playing. You have to provide everything the character needs to help improve the best physical. Keep an eye on the index below the screen and see if the cat is missing anything right away.MakeupBeauty is an indispensable thing of women. If you're a fashion lover, create the coolest hairstyles for Angela, then you can show off her on social networks like Facebook or Instagram.MOD APK version of My Talking AngelaMOD featureUnlimited Money: With the number of money & diamonds available in MOD APK version of the game, you can shop comfortably. After level 5, the game requires you to buy cat food from a gold or diamond store. The main feature still revolves around two elements of care & play. It is a way for cats to be healthy and grow well. Click on the shower icon to take the cat to the bathroom, then you can bathe and brush your cat's teeth. Players have many priceless things when installing My Angela on their phones. Since then, Angela has been a close friend of hundreds of millions of players worldwide, including many children.Your best friend is here!When playing My Talking Angela, you are a "parent" of a cute, beautiful cat girl. From eating, sleeping, and staying healthy to having fun in games. Download game My Talking Angela your life from now on there are people to share everything. Besides, Angela also needs to go to the toilet every day.After a day of playing, your cat will be tired and want to go to sleep. You can buy the dresses of Princess Elsa or an alien outfit for Angela.However, the money in the game is quite hard to earn. You are responsible for raising it, feeding it, bathing and dressing the cat in the best clothes. Like My Talking Tom, you can increase your cat's Happy point by playing with it or playing mini-games. Although she's just a virtual cat on her mobile, Angela needs to eat like her friends. The Android version was released a year later and was officially available on Google Play in 2014. The image of the energetic girl is waiting for you. In that state, you can hardly play with this cat girl.One of the salient features of virtual pets on mobile is that Angela has the ability to mimic human sounds like Talking Tom. Discover now if there's anything special below.What does My Talking Angela have?The game mode in the game lets you perform a series of activities like everyday life. Please accumulate soon enough Coins to upgrade items to meet your goals. A great journey awaits you, where you can raise a pet and keep track of its development since it's just a little cat.Not only that, but Angela is also a smart, cheerful and emotional cat. Do you want to own a smart pet, play with it every day? Every day Angela needs to eat, clean, sleep and dance. Currently, the game has support on both Android and iOS so downloading is extremely simple. Do not worried.
