With the help of a satyr and a daughter of Athena, Percy must journey across the United States to catch a thief who has stolen the original weapon of mass destruction — Zeus' master bolt. Along the way, he must face a host of mythological enemies determined to stop him. Most of all, he must come to terms with a father he has never known, and an Oracle that has warned him of betrayal by a friend. View Book Page Book 2 The Sea of Monsters When Thalia's tree is mysteriously poisoned, the magical borders of Camp Half-Blood begin to fail. Now Percy and his friends have just days to find the only magic item powerful to save the camp before it is overrun by monsters. The catch: they must sail into the Sea of Monsters to find it. Along the way, Percy must stage a daring rescue operation to save his old friend Grover, and he learns a terrible secret about his own family, which makes him question whether being the son of Poseidon is an honor or a curse. View Book Page Book 3 The Titan's Curse When Percy Jackson gets an urgent distress call from his friend Grover, he immediately prepares for battle. He knows he will need his powerful demigod allies at his side, his trusty bronze sword Riptide, and... a ride from his mom. The demigods rush to the rescue to find that Grover has made an important discovery: two powerful half-bloods whose parentage is unknown. But that's not all that awaits them. The titan lord Kronos has devised his most treacherous plot yet, and the young heroes have just fallen prey. They're not the only ones in danger. An ancient monster has arisen — one rumored to be so powerful it could destroy Olympus — and Artemis, the only goddess who might know how to track it, is missing. Now Percy and his friends, along with the Hunters of Artemis, have only a week to find the kidnapped goddess and solve the mystery of the monster she was hunting. Along the way, they must face their most dangerous challenge yet: the chilling prophecy of the titan's curse. View Book Page Book 4 The Battle of the Labyrinth Percy Jackson isn't expecting freshman orientation to be any fun, but when a mysterious mortal acquaintance appears, pursued by demon cheerleaders, things quickly go from bad to worse. Time is running out for Percy. War between the gods and the Titans is drawing near. Even Camp Half-Blood isn't safe, as Kronos' army prepares to invade its once impenetrable borders. To stop them, Percy and his friends must set out on a quest through the Labyrinth — a sprawling underground world with surprises and danger at every turn. Along the way Percy will confront powerful enemies, find out the truth about the lost god Pan, and face the Titan lord Kronos' most terrible secret. The final war begins... with the Battle of the Labyrinth. View Book Page Book 5 The Last Olympian All year the half-bloods have been preparing for battle against the Titans, knowing the odds of victory are grim. Kronos's army is stronger than ever, and with every god and half-blood he recruits, the evil Titan's power only grows. While the Olympians struggle to contain the rampaging monster Typhon, Kronos begins his advance on New York City, where Mount Olympus stands virtually unguarded. Now it's up to Percy Jackson and an army of young demigods to stop the Lord of Time. In this momentous final book in the New York Times best-selling Percy Jackson and the Olympians series, the long-awaited prophecy surrounding Percy's sixteenth birthday unfolds. And as the battle for Western civilization rages on the streets of Manhattan, Percy faces a terrifying suspicion that he may be fighting against his own fate. Book Synopsis Book One in the #1 New York Times bestselling Percy Jackson and the Olympians series gets the graphic novel treatment from three big names in the comic book industry.You've read the book. You've seen the movie. Now submerge yourself in the thrilling, stunning, and action-packed graphic novel.An adaptation of Rick Riordan's The Lightning Thief novel, whichHas sold millions of copies worldwide Is a classroom stapleHasbeen on the New York Times best-seller list for more than ten yearsHas been adapted into two feature films, a Broadway musical, and soon, a television series on Disney+Makes Greek mythology relevant to modern readers with humor, relatable characters, and fast-paced actionCan be enjoyed by readers ages 8-80Mythological monsters and the gods of Mount Olympus seem to be walking out of the pages of twelve-year-old Percy Jackson's textbooks and into his life. And worse, he's angered a few of them. Zeus's master lightning bolt has been stolen, and Percy is the prime suspect. Now, he and his friends have just ten days to find and return Zeus's stolen property and bring peace to a warring Mount Olympus. Series creator Rick Riordan joins forces with three of the biggest names in the comic book industry to tell the story of a boy who must unravel a treachery more powerful than the gods themselves. Review Quotes How could it have taken five years to see a graphic-novel adaptation of such a successful property as the Percy Jackson and the Olympians series, and one that, with its heroic destinies and epic action, seems tailor-made to the format? Riordan's original, like Harry Potter as if reimaged by Neil Gaiman, hits all the straightforward archetypes, with young Percy Jackson clued into the secret that he's actually the son of the Greek god Poseidon, then educated at Camp Half-Blood with the other illegitimate demigods before embarking on a hero's journey to stop a war of the Olympians. But Riordan also injected a sense of thorny reality with twists like Percy's good-for-nothing stepfather and the entrance to Hades residing in a soulless Los Angeles. Where the slick and flashy movie version failed, Venditti's sharp-edged writing and Futaki's gritty and unpretentious art capture the same sense of grunge amid the wonder. A timely release that can be recommended with George O'Connor's recent Olympians graphic novels, proving that while five years may seem too long, at least the wait was worth it. Booklist"Riordan's highly popular "Olympians" series (Hyperion/Disney) is now a graphic novel. Half-Blood Percy Jackson is the son of a mortal mother and the Greek god Poseidon, which explains why he has always felt out of place among his schoolmates. After learning of his paternity, he is charged with the dangerous mission of locating his Uncle Zeus's missing lightning bolt and returning this symbol of power to its rightful owner. Expert editing keeps the salient parts of the story intact while showcasing the additional storytelling capabilities that the graphic format allows. Excellent panel layout makes the story line easy to follow. The use of angled panels in highly dramatic action scenes is particularly effective. As readers follow Percy's adventures, they are also keenly aware of his personal struggles, as facial expressions help readers to relate to this boy "who doesn't fit in." Illustrations brilliantly illuminate the story, portraying seamless world-blending, from typical school drama and well-known U.S. landmarks to mythological elements. A man seated in one panel casually stands to reveal his true identity as a centaur, the eerie woman seated in the attic is an Oracle, and the Nereid of the undersea kingdom seems a natural part of Percy's world. This blend of mythology and magic with realistic action and adventure brings an added dimension and delightful nuances to this adaptation of the well-known novel. Both ardent followers of Riordan's books and those new to the series will not be disappointed. SLJ"Venditti's adaptation of the critically acclaimed first installment of the Percy Jackson & the Olympians series faces a daunting challenge: to present a beloved, contemporary, young adult fantasy novel as a 128-page visual narrative. But the team succeeds in spectacular fashion. Venditti (The Surrogates) takes the story of the half-blood Percy—who discovers that he is both the son of a god and the prime suspect in a theft of cosmic implications—and forges an adaptation that does justice not simply to Riordan's story but works perfectly as a graphic novel. The book retains the excellent pacing of the original and gives a face to Riordan's vision of the mythological made modern. Futaki's artwork is exemplary, but what leaves such a lasting impression is Villarrubia's coloring, which reveals both subtlety and spectacle when needed. The graphic novel compression must, of necessity, sacrifice something, namely some of the humor of the original. PW" About the Author Rick Riordan (www.rickriordan.com) is the author of The Kane Chronicles, Book One: The Red Pyramid as well as all the books in the New York Timesbest-selling Percy Jackson and the Olympians series: The Lightning Thief; The Sea of Monsters; The Titan's Curse;The Battle of the Labyrinth; and The Last Olympian.
