Your order before TheyÅ € King went! Our friend Matthew Chin in Hong Kong, who created this graphic, wrote the following: at the two Chinese characters are the same. It means blessing Å, to a hope that other people will have good luck. It is commonly used during a lunar year. The red background is also a sort of Å € Gooda as the Chinese use red to represent a good luck: Å € thanks, Matthew! The calendar and the lunar new year in China, the Gregorian family calendar is used for life day by day. But Chinese calendar dates To be used to mark traditional parties such as the New Year and the Moon Autumn Festival. It is also astrologically used to select favorable dates for weddings and other special events. The Chinese calendar is a lunisular lunisolare In other words, a combination of solar and lunar calendars. It has a long history long different Chinese dynastic periods from from the Shang dynasty around 14th century BC there are several different symbolic cycles within the calendar, used in Chinese astrology, which make it an intricate and complex measure of time. Å month of the Chinese calendar extends over a single lunar cycle. The first day of the month begins during the new moon, when no sunlight falls on the lunar hemisphere overlooking the earth. Å lunar cycle, on average, lasts 29.5 days, so a lunar month can last 29 or 30 days. Usually, there are 12 moon months in a year of Chinese calendar. In order to recover the delay with the solar calendar, which on average 365.25 days in a year, one month more is added to the Chinese calendar every two or three years. As a result, the new lunar year falls into different dates every year (in the Gregorian calendar) between January 21st and 21st February, sign up for the EarthskyÅ € s daily newsletter today! Chinese New Year Parade for the year of San Francisco, California, 7 February 2009. For 2021, ita s l'oxa s turn. Travelchinaguide.com says the year of the ox: oxen used to be agricultural tools capable of a farm, which attack the symbol of diligence, perseverance, and honesty. In Chinese culture, ox is a faithful friend who has made a great contribution to the development of society. Like the ox, born in the year of the ox are laborious, cautious, they keep their faith firmly, and always happy to offer help. New Year Lunar red envelopes, used to give money to children, in Dehua Market, Taipei, Taiwan. Image via bcdy80 / wikimedia commons. How to celebrate the new lunar year from the first day of the Lunar New Year (the day of the new moon) at 15th day (next full moon), the celebrations of the Lunar New Year abound. Every day in possession of a particular meaning that varies according to local traditions. But first, before the new year's arrival, the houses are carefully cleaned to sweep away the bad luck and to welcome good luck. On the new YearÅ € s Eve, families traditionally gather to celebrate and enjoy sumptuous traditional holidays, and to greet the new year with midnight fireworks. In the following days, the holiday balls are usually held with colored dragons or lions, the ceremonies take place to pay tribute to the divinities and the ancestors, children receive money in red envelopes, gifts are exchanged, family members Extended visit each other, and thereÅ € s more traditional party. But, as the New York Times underlined January 28, 2021, family parties are discouraged this year, due to the coronavirus. The New Lunar Year celebration traditionally culminates day 15 with the Lantern Festival. On this night of full moon, in most of the years other than the present, families mix into the streets that bring lit lanterns, often creating a beautiful light exposure, Lantern Night Festival in front of Chiang Kai-Shek Memorial Hall of Taipei, Taiwan. Image from File Vivero / Wikimedia Commons. Folklore and Lunar New Year there are several variations on the myth behind the celebrations of the Lunar New Year. Most are based on the story of a bad, blood thirsty monster called Nian that would emerge the last night of each year to destroy the villages and eat people. An old wise has recommended the villagers to scare the monster away with strong noises. That night, they gave fire Bamboo, lit fireworks, and slammed their drums. The monster, fear of strong noises and lights, escaped to hide in the cave of him. In another version of the myth, an old convinced Nian to turn his anger against other monsters, not the villagers. Before being seen ride away on the Nian, the old old man In reality a God, recommended to people hanging red paper decorations in their homes and distinguish firecrackers on the last night of the year to keep Nian away. The first day of the new year, the villagers celebrated, greeting with the words Guo Nian, which means Å € Å, ~ Å "survive the Nian. "That tradition that continued to date, with Guo Nian now meaning Å € Å, ~ Å "to celebrate the new year. It is perhaps in 2021, a new way of greeting and celebrating. A traditional decoration for the Chinese lunar New Year celebration. Image of Fanghong / Wikimedia Commons. Bottom Line: The Lunar New Year corresponds with the new moon, which falls on 11 February 2021, at 19:08 UTC; Translate your time. The new moon is February 12th in Asia (February 11th to the west). Every lunar New Year is associated with one of the 12 animals in the Chinese zodiac. For 2021, it is the year of the ox. This year, the journey is discouraged because of the Coronavirus. Coronavirus.
